Develop a home visit plan

Objective(s)

Learners will use a case scenario to plan a home visit.

Description

In this activity, learners are provided with a case scenario which they use to plan a home visit.

Required Materials/Resources

Learner Materials

- Handout 2.3: Home Visit Planning Form
- Handout 2.4: Home Visit Planning Form Sample
- Handout 2.5: Follow-up Home Visit Sheet

Detailed Facilitator Instructions

1. Provide learners with example case scenarios, either in writing or search the internet for video examples.
2. Provide access to the handouts.
3. Ask learners to complete the tasks below:
   a. Complete the home visit planning form based on the case scenario.
   b. Create a follow-up home visit sheet based on the case scenario.
   c. Participate in a group discussion regarding the planning tools and what kinds of questions they have.
4. Provide feedback.

This activity is part of Module 2: Transition. To view the content related to this activity, go to Step 3: Evidence.

Instructional Method

Case Studies and Structured Exercise

Level

Advanced

Estimated Time Needed

15 minutes for instructor preparation

30-45 minutes for learner activity

Suggested Assessment

No suggested assessment provided for this activity.

Facilitation Tips

- Activity can be completed in class or online through a discussion board.
- Learners can complete the activity individually, in pairs, or in small groups.
- Activity could be completed in the context of a practicum experience, rather than case scenario.

Alternate Version(s) (refers to different levels of difficulty)

- Activity Guide 2.4a: Describe a home visit (Discovery & Brainstorming)
- Activity Guide 2.4b: Role play a home visit (Role Playing)
