

Create an implementation plan to use dialogic reading practices

Name

Date

Instructions

Describe the process introduced in Step 3 for using dialogic reading strategies with young children. Then, in your own words, list three important things to remember.

1. Selecting the book:

a. What are three important things to remember when selecting a book?

2. Preparing the book:

Activity 6.11a

- a. What are three important things to remember when preparing the book?

3. Conducting dialogic reading:

- a. What are three important things to remember when conducting dialogic reading?
