

Identify ways to problem solve

Name

Date

Instructions

Watch [Video 7.12: Putting on a puppet show](#), and Video [7.13: Finding a resolution in the block area](#).

1. In Video 7.12, when the puppets started fighting, what did the teacher suggest the child do?

2. In Video 7.13, how did the teacher help the children come to a resolution about playing with the blocks?
