Describe a welcoming environment

Objective(s)
Learners evaluate a scenario to determine how to create a welcoming environment for a child.

Description
In this activity, learners watch a video of a child visiting his new classroom for the first time then describe how the teacher created a welcoming environment for the child.

Required Materials/Resources
Learner Materials
- Video 2.4: Highlights of a classroom visit
- Format for learner responses (written activity form, guidance for discussion)

Detailed Facilitator Instructions
1. Provide access to video or transcript. Video or transcript can be viewed as a class or independently outside of class.
2. Ask learners to complete the tasks below:
   a. Describe what the teacher did to welcome the child into the environment.
   b. Identify three additional things the teacher might do to welcome the child.
3. Ask learners to share their responses with the class.
4. Provide feedback.

Suggested Assessment

1. The teacher introduced herself and another teacher. The teacher created a book for Dominick with pictures of himself, his new classmates and his new teachers to take home with him. The teacher took time to show him around the classroom. She showed him some toys in the science area.
2. A teacher could introduce the child to a buddy. A teacher could show the child their special cubby. A teacher could give the child pictures of the classroom to take home.

Facilitation Tips
- Learners can respond in class, online, or using the PDF Form which can be printed, emailed, or submitted online.
- Learners can complete the activity individually, in pairs, or in small groups.
