## **EC Faculty Webinar: New Evidence-Based Practice Teaching Resources**

Thursday, November 12, 2009  
2-2:30pm EST

Join Pam Winton from the CONNECT Project at FPG Child Development Institute (UNC-Chapel Hill) this Thursday for a 30-minute webinar and Q&A on new evidence-based practice resources being developed for early childhood faculty and professional development providers.

**Register** >  
For More Info & Webinar

### **Key module characteristics:**

- Designed using an evidence-based practice approach to professional development
- Web-based and designed for easy embedding into existing curricula
- Includes video clips, audio clips, activities, research synthesis, family perspectives, instructor guides, etc.
- Easy access via web site designed for faculty and students
- Available nationally at no charge to faculty and students.
