

## Apply the research to practice

---

Name

Date

### Instructions

Read [Handout 6.1: Research Summary on Dialogic Reading](#). Be prepared to discuss the written responses to the following questions.

1. Based on the research syntheses, what were the effects of dialogic reading on (i) preschoolers' oral language, and (ii) the communication and language competencies of preschoolers with disabilities?

2. How relevant are the research findings to the context portrayed in the dilemma?

## Activity 6.3a

Watch [Video 6.2: Dr. Christopher Lonigan: Research on Dialogic Reading](#)

3. What does Dr. Lonigan say happens when children are exposed to dialogic reading?

### Hints
