Activity 7.8a

Identify ways to problem solve

Name ____________________________ Date __________________________

Instructions

Watch Video 7.12: Putting on a puppet show, and Video 7.13: Finding a resolution in the block area.

1. In Video 7.12, when the puppets started fighting, what did the teacher suggest the child do?

2. In Video 7.13, how did the teacher help the children come to a resolution about playing with the blocks?
